

## LIST OF PLANT SPECIES/ VARIETIES TO BE PROCURED

### SHRUBS

Sl. No.	Species	Specification	Quantity
1	Acalypha godseffiana vars.	1ft high, in polybags	200
2	Alternanthera vars. Green,variegated, maroon, yellow	Good clump,in polybags	200
3	Barleria spp.-white/ violet/ pink flowers	1ft high, in polybags	50
4	Beloperone guttata	1ft high, in polybags	50
5	Pachystachys lutea (All colours)	1ft high, in polybags	50
6	Calliandra brevipes, hematocephala, tweedii	1ft high, in polybags	50
7	Cassia biflora	1ft high, in polybags	100
8	Clerodendrum spp.	1ft high, in polybags	50
9	Codiaeum (Dwarf variegated types)	1ft high, in polybags	500
10	Coleus- All colour forms	6 inch, in polybags	200
11	Crossandra infundibuliformis	1ft high, in polybags	30
12	Cuphea (White/ pink)	6 inch, in polybags	200
13	Duranta plumeri (variegated)	1ft high, in polybags	200
14	Eranthemum- all species/ colour	1ft high, in polybags	30
15	Poensettia (White, Red, Double)	1ft high, in polybags	50
16	Graptophyllum pictum	1ft high, in polybags	20
17	Hibiscus variegated/ dwarf types	1ft high, in polybags	200
18	Ixora spp. (yellow, red, pink, white, mini, double petals)	6 inch high, in polybags	300
19	Lantana spp. (White/ yellow, violet, orange, pink)	6 inch high, in polybags	100
20	Malpighia coccigera	1ft high, in polybags	50
21	Mussaenda spp. (Red, white, pink, yellow)	1ft high, in polybags	100
22	Nerium indicum (Variegated, red, white, pink dwarf)	1ft high, in polybags	100
23	Pentas lanceolata (Red, white, pink)	1ft high, in polybags	100
24	Phyllanthus nivosus (White/ Red)	6 inch high, in polybags	30
25	Polyscias/ Aralia (Narrow leaf, dwarf)	1ft high, in polybags	250
26	Rusellia equisetifolia/juncea	Good clump, in polybags	50
27	Tabernamontana (mnini, white, variegated)	1ft high, in polybags	500
28	Turnera ulmifolia	6 inch, in polybags	20
29	Sassa (Bamboo) species	2 ft high in pots	20
30	Strobilanthes dyerianus	1 ft high, polybags	30
31	Sanchezia nobilis variegated	1 ft high, polybags	20
32	Rondeletia odorata	1 ft high, polybags	50
33	Manihot esculentus	2 ft high in pots	30
34	Ravenia spectabilis (variegated)	1ft high, in polybags	100

### HOUSE PLANTS

1	Annanas (Variegated)	1ft high, in polybags	20
2	Bilbergia	6 inch high, in polybags	20
3	Aglaonema selected vars.	1ft high, in polybags	100
4	Caladium	1ft high, in polybags	100
5	Dracaena vars.	1ft high, in polybags	200

6	Codyline species	2 ft high, in polybags	200
7	Alpinia sanderæ	1ft high, in polybags	20
8	Monstera/ Pothos	1ft high, in polybags	50
9	Syngonium (all vars.)	Good clump, in polybags	200
10	Anthurium vars.	6 inch, in polybags	100
11	Asparagus spp.	6 inch high, in polybags	50
12	Begonia	1ft high, in polybags	50
13	Calathea	6 inch high, in polybags	100
14	Chlorophytum spp.	Good clump, in polybags	50
15	Dizygotheca	1ft high, in polybags	20
16	Ficus (dwarf/ variegated, shrubby) spp.	2 ft high, in polybags	100
17	Heliconia spp	1ft high, in polybags	20
18	Impatiens (Perennial species/ diff. colours)	6 inch high, in polybags	100
19	Kaempferia spp	6 inch, in polybags	30
20	Maranta spp. (Colours/ vars.)	1ft high, in polybags	50
21	Pandanus (variegated/ striped/ dwarf) spp.	1ft high, in polybags	30
22	Piper spp.	6 inch, in polybags	20
23	Pilea spp.	1ft high, in polybags	100
24	Rhoeo discolor/ other spp.	6 inch, in polybags	50
25	Sanseveria spp.	1ft high, in polybags	50
26	Schfflera spp. (yellow/ variegated)	1ft high, in polybags	30
27	Tacca spp	1ft high, in polybags	20
28	Adiantum spp.	1ft high, in polybags	50
29	Tradescantia spp.	1ft high, in polybags	30
30	Nephrolepis spp.	1ft high, in polybags	30
31	Pteris variegated	1ft high, in polybags	50
32	Kalanchoe spp.	1ft high, in polybags	50
33	Yucca/ Agave vars.	2 ft high, in polybags	100
34	Liriops (Ophiopogon Hort.) species	Good clump, polybags	200

## PALMS

1	Aiphanes caryotifolia	2 ft high, in polybags	5
2	Attaleya cohune	2 ft high, in polybags	5
3	Attaleya spp.	2 ft high, in polybags	5
4	Phoenix rupicola	2 ft high, in polybags	50
5	Phoenix canariensis	2 ft high, in polybags	20
6	Aiphanes erosa	2 ft high, in polybags	5
7	Licula peltata	2 ft high, in polybags	20
8	Licula spinosa	2 ft high, in polybags	20
9	Cyrsostachys renga/ lakka	2 ft high, in polybags	10
10	Thrynax	2 ft high, in polybags	10
11	Dictyospermum	2 ft high, in polybags	5
12	Areca lutescens	3-4 ft high, polybags	200
13	Pritchardia facifica	2 ft high, in polybags	10
14	Pritchardia filifera	2 ft high, in polybags	10
15	Syagrus ramanzoffiana	2 ft high, in polybags	20
16	Sabal mauritiiformis	2 ft high, in polybags	20

## TREES

1	Magnolia grandiflora	1 ft high in polybags	10
2	Aurocaria cookii	1 ft high in polybags	100
3	Juniperus communis	1 ft high in polybags	50
4	Magnolia kisoppa	1 ft high in polybags	10
5	Chorisia speciosa	1 ft high in polybags	20
6	Erythrina crystagalli	1 ft high in polybags	10
7	Fugosia haakiaefolia	1 ft high in polybags	10
8	Magnolia insignis	1 ft high in polybags	10
9	Magnolia pterocarpa	1 ft high in polybags	10
10	Pachira spp.	1 ft high in polybags	10
11	Ficus (all species)	2 ft high in polybags	100
